## **Club Dues Policy**

**Effective 01-January-2004**

The Bylaws of the North Texas Battle Group allow the assessment of dues and fees to members. Beginning in January, 2004, the club will begin collecting dues and fees from members according to the following schedule:

Individual members - \$20.00

Family memberships - \$30.00

Dues are per calendar year, prorated for members that join during the year. Current members' dues are due by the March battle, after which time members will be dropped from the rolls for purposes of voting and quorum.

Battle Fees of \$5.00 per battle, for each member or guest who brings one or more armed ships to a battle, will be charged. Members may pay in full for an entire year by paying \$50.00 by the March battle, a discount from the \$60.00 that would normally be charged for twelve battles.

All dues and fees will be collected by the Treasurer
