

A Big Gun R/C Warship Combat International Club

Inclement Weather Policy

In general, battles and other North Texas Battle Group events will not be canceled due to inclement weather unless there is a safety concern. If there is lightning in the area, a possibility of flash flooding, or other potential hazard to personal safety or equipment, the Safety Officer will call an immediate halt to activities under way and supervise an orderly evacuation of personnel and equipment from the event site. The Safety Officer may also cancel an event prior to its start if conditions so warrant. The Safety Officer will notify the Commanding Officer of the cancellation. The Commanding Officer will cascade notification to the membership via telephone, e-mail, and web site update.

If the weather is threatening prior to an event, it is best to check the NTXBG website at www.ntxbg.org. On the front page updates will be posted as information becomes available.
